

## Local Site Submit Named Best Local Business Directory Service for 2012

*Local business directory service Local Site Submit was named the 2012 Best Local Business Directory service by TopTenREVIEWS™. Setting the local site submission company apart from the competition was the thorough and exhaustive feature set offered on their yearly priced service, along with fast manual submissions and exceptional service.*

**Local Site Submit is the best local business directory service we reviewed. Their ability to add a large amount of information, including images, videos and blogs, within just a few days is amazing.**

Online PR News – 16-December-2011 – [Local business directory](#) service, Local Site Submit was named the 2012 Best Local Business Directory service by TopTenREVIEWS™. Setting the [local site submission](#) company apart from the competition was the thorough and exhaustive feature set offered on their yearly priced service along with fast manual submissions and exceptional service.

Local Site Submit manually adds a company's information to local directories like Google Maps, Yahoo! Local and Bing Local. Local business directory listings help companies become the first [search engine result](#) because of their thorough submission to the Top 100 directories, social media sites, and other multimedia channels.

Local Site Submit was praised for their “extra mile” features like videos and blogs that the TopTenREVIEWS™ article states other directory service companies don't offer as a base. The [local business directory review](#) article also states:

Local Site Submit is the best local business directory service we reviewed. Their ability to add a large amount of information, including images, videos and blogs, within just a few days is amazing. We found that no matter whether you have a small business you're trying to get off the ground or have been around for quite some time, Local Site Submit has the ability to improve the amount of traffic to your door within just a few weeks. Their website is very easy to use and provides all of the information you need on every page. If you want to grow as a business and be recognized online, this is the company for you.
